Consultation on Regulatory Guides
E-Newsletter Issue 1

Dear Colleague

Welcome to the first issue of the Legal Services Commission Queensland E-Newsletter.

We will use the newsletter to communicate directly with the lawyers we regulate and our other stakeholders, to raise awareness of our role, to share information, to raise issues of concern and to seek your comments and feedback.

Regulatory Guides
We are using this issue to introduce you to the concept of Regulatory Guides. We plan to develop a series of such guides which we intend to help lawyers and users of legal services better understand how a lawyer’s professional obligations apply in grey areas where their application can be uncertain. For further explanation of the concept please see: Regulatory Guides – An Overview.

We are currently seeking your feedback and comments on the consultation draft of our first proposed Regulatory Guide:

- Itemised Bills – A Regulatory Guide.

We welcome your feedback about how we can improve our E-Newsletter so that any future information we send you is relevant and succinct.

Regards,

John Briton
Legal Services Commissioner
