

**Q3 Are you currently supervising others and/or being supervised by others? If you do not supervise other staff, or are not supervised by/report to somebody else (for example if you are a sole practitioner with no staff, including no administrative staff) then the questions in this survey will not be relevant for you and you will need to exit the survey here. While supervision covers a wide range of practices, we are focusing on direct supervision only, where there is a direct line of responsibility between the supervisor and supervisee.**
